Dear Sir,

Greetings from eLitmus - a company committed to helping meritorious students get high end jobs.

Enclosed is yet another job for students who want to work for high end technology companies.

Request you to circulate the below job description among your *2018 and 2017 batch* students.

------------------ Mail for candidates ------------------

Dear Students,

We are glad to share with you an opportunity to work with Whizdm Innovations Pvt. Ltd as a Software Engineer.

About the company:

Money View is India's leading digital financial services startup, backed by top-tier VC firms like Accel Partners, Tiger Group and Ribbit Capital. They are the most fabled investors and among them have funded likes of Facebook in US and Flipkart in India.

 The Moneyview manager app has clocked 10+M downloads in a very short span of time.

Skills/Qualifications:

- Prolific coder who has played around with a wide range of technologies, open source etc.
- Amazing in data structures / OOPs / CS fundamentals / algorithms
- Very strong problem solving and analytical skills
- Exposure to real-time computational systems will be an added advantage.

Compensation:

- Stipend of Rs 30,000 during internship for 2018 batch
- You shall be offered a full time role with a CTC of Rs 12+ LPA subject to satisfactory performance during internship.

Click here to Apply:

For 2018 batch:www.elitmus.com/jobs/32322?_MV_25-1_301
For 2017 batch:www.elitmus.com/jobs/32323?_MV_25-1_301

Regards,

Team eLitmus
